12. Provide any other information that will help explain why you cannot pay the costs of this case.

With the Court fees and the printing costs to move forward, currently, it would be too much of a burden for me to endure and with my unemployment ending April 10, 2021, it would be impossible. I would not be pursuing this matter if the lower court had not passed judgement that was in conflict to their prior, and recent decision, but their actions also go against orders from this Supreme Court.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: This 20th day of March in the year , 2021
